CONNECTING PEOPLE & JOBS

August 2016

Theodora

John

## Graduate Spotlight

Theodora has worked in tourism and hospitality in northern Michigan for forty years. She's tired of working the summer job/winter unemployment loop and has been looking for a change. Just two months after starting training at Digital Works - Cheboygan, she's found it! She's now a full-time Tech Support Advisor for a major computer and technology company!

## Be Safe While Job Searching

Protecting our job seekers is top priority. Digital Works has working relationships with more than 60 corporate employers and we provide our trainees and graduates placement services with these respectable organizations. We also offer one-on-one guidance and mentorship from program instructors assisting our job seekers in finding their perfect fit. Here's a list of tips for everyone to keep in mind to ensure a safe job search.

## Graduate Spotlight

John found himself looking for a professional opportunity that offered flexibility and growth. His past jobs armed John with strong people skills. He came to Digital Works - Reeb Avenue Center to add technology skills to his resume and to find work at home employment. He found just that and more! John is now a tech support representative with a major computer and technology company and working from his home office.

## Employer Spotlight

Are you an experienced sales professional looking for additional opportunities? Digital Works has partnered with an employer that specializes in business-to-business lead generation.

Position Requirements:

- Someone that has high energy and is money motivated
- Prior sales experience
- High school diploma
- High quality USB headset
- Type 40+ wpm

Business-to-business experience is preferred, as well as having a printer/scanner/fax combo. This is a 1099 independent contract opportunity that allows for unlimited earning potential, working from a home office, and flexible scheduling. There is no background check required of candidates.

For more information on this opportunity, please email Heather Davis at [hdavis@connectohio.org](mailto:hdavis@connectohio.org).
