Digital Works Out & About

Connie Brown (Logan) shared Digital Works at two recent events:

Business Expo at Hocking College Logan Branch, June 15

The ARSC Annual Safety & Health Fair at Hocking County Fairgrounds, June 17

About Digital Works

Digital Works, a program of Connected Nation, Inc., connects people to leading-edge customer support and IT jobs for global corporations. Digital Works offers a technology and customer-service training program, along with continued mentorship toward opportunities for advanced job placement. Graduates of the program can choose to work from home or from a Digital Works center. Since the program launch in Ohio in June 2013, more than 400 people have secured employment.
